

The Simple Solution

THE SURGERY SOLUTION

Up front pricing is ending the fear in seeking major medical care. New Surgery Centers healing outside of insurance & hospitals mean no middle man markups, and the end of *surprise life changing bills*.

THE MEDICINE SOLUTION

Certified online pharmacies offer a high tech wholesale solution, allowing consumers to send their prescriptions electronically and get their medicine the next day for more than *half the cost*.

THE DOCTOR SOLUTION

Innovative physicians are opting out by creating subscription practices in the Netflix model of medicine. Need stitches? The E.R. will cost thousands! Care from your Direct Primary Doctor is *included free*.

What do these Solutions Have In Common??

- ✓ NO INSURANCE
- ✓ UPFRONT PRICING
- ✓ NO BUREAUCRATS
- ✓ NO GOVERNMENT MEDDLING
- ✓ UNSHACKLED INNOVATORS
- ✓ LOWER COST & BETTER CARE

Unleashing American Innovation

When we open the health care markets with policies that minimize regulation and allow experimentation, Americans innovate to deliver care.
